

Conference - Online B2B meetings

Small and medium enterprises from metal industry

Within the project „ITC Mind – Innovation and Technology Center for Metal Industry”, Vojvodina Metal Cluster together with its project partners SzSzC Deri Miksa from Szeged and Education Center from Novi Sad is organizing **Online B2B meetings** between small and medium enterprises from metal industry, held on **September 22nd, 2020**. Support is provided by Enterprises Europe Network Serbia and Business Incubator Novi Sad.

We would like to invite you to take participation in online business meetings in order to find new business partners in the countries participating in this event.

Your electronic registration is required. By registering on this platform, you will have the opportunity to choose partners for meeting according to your business interests, after which you will receive a list of meetings scheduled the day before the event.

Meetings will be scheduled with duration of 25 minutes each from 10 AM to 2 PM. Participants will be notified by email about the final list and the time of the meeting before the event.

The main target groups are the companies from metal sector or companies in the value chain: big companies, SMEs and entrepreneurs from metal sector, innovators, inventors, R&D institutions.

The event is open to related sectors such as: representatives of European and national institutions, banks, Innovation Funds, Insurance companies, Business angels, etc.

Participants outside of the Republic of Serbia: Hungary, Romania, the Czech Republic, Bosnia and Herzegovina, North Macedonia, Montenegro, Croatia, Slovenia, Austria, Germany, France, Spain, Turkey and other European countries.

Note:

On the platform there is instruction for use and implementation of online meetings (tab BigBlueButon). For efficient operation and electronic communication, please provide: good internet connection, speakers, camera (optional), internet browser GOOGLE CHROME or MOZILLA FIREFOX. (described in detail on the platform in **tab BigBlueButon**).

Registration on **Online B2B** can be done via the following link:
<https://itcmindb2b.talkb2b.net/>

The language of the meetings is English or as agreed by the participants.

In addition to participating in business meetings, registered companies will be enabled insight into successful examples of open innovations implemented through the ITC MInd project.

Deadlines:

August 25th–September 20th, 2020 Online registration

September 6th-20th, 2020 Scheduling of online meetings

September 22nd, 2020 Online meetings

September 15th-23rd, 2020 Presentation of innovations and project results
